The screenshot shows the Wixie teacher dashboard interface. At the top, there is a blue navigation bar with a 'Students' button (with a graduation cap icon), a '+ New' button, and a user profile icon 'M'. Below the navigation bar is a search bar with the placeholder text 'Search'. To the right of the search bar are icons for list, grid, and document views. The main content area is divided into a left sidebar and a main list. The sidebar contains several categories with arrows pointing to descriptive text on the left: 'My Projects', 'Team Projects', 'Assignments', 'My Assessments', 'Showcase', 'Templates', 'District Templates', 'Dewey Elementary', and 'Trash'. The main list displays a table of projects with columns for project name, date, and a three-dot menu icon. The projects listed are: Investigation, Compose Music -Large, Poetry - Haiku, News, StudentIDCard, Diagram the Plot, and Frog's Life Cycle Journal, all dated 6/16/2021.
