The screenshot shows the Wixie student authoring interface. At the top is a blue navigation bar with icons for Home, File, Edit, Page, Image, Text, Video, Team, Story, Show, navigation (Back, 1/1, Next), a clock, and Log Out. A green box highlights the Home icon with an arrow pointing to the text 'open assignments, projects & templates'. The File menu is open, showing options like 'New Project', 'Import Pages...', 'Share...', 'Download...', 'Print...', 'Assessment...', 'Add to Highlights', and 'Mark as Complete'. A green box highlights the 'Share...', 'Download...', and 'Print...' options with an arrow pointing to the text 'sharing options now in File menu'. The Video tool is highlighted with a green box and an arrow pointing to a video player window titled 'Add a video' which shows a video of a young girl. A green arrow points to this window with the text 'add or capture video'. Below the video player is an image library window titled 'Find an image' with tabs for 'Stickers', 'Pics4Learning', 'Camera', and 'Computer'. It shows a grid of image categories like 'Alphabet', 'Animals', 'Art', 'Books', 'Buildings', 'Cartoon', 'Color Words', 'Community', 'Culture', and 'Dress Up'. A green arrow points from the text 'add images from the library, Pics4Learning, your camera or computer' to the image library window. On the right side, there is a toolbar with various drawing and editing tools. A green box highlights the microphone icon with the text 'record voice'. Another green box highlights the clipboard icon with the text 'view instructions'. At the bottom right, a green box highlights the undo/redo icons with the text 'undo/redo'. The background of the workspace shows 'Background' and 'Background Picture' options, and a 'Measure' tool with 'in' and 'cm' units.
